Disinvestment of oil companies

†1927. SHRI MOTILAL VORA: Will the Minister of DISINVESTMENT be pleased to state:

(a) whether it is a fact that Government propose to disinvest oil companies;

(b) if so, the reasons therefor; and

(c) the details of Government-owned profit earning companies?

THE MINISTER OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) and (b) The present policy of the Government is to reduce its stake in non-strategic PSUs even below 26% and there would be increased emphasis on strategic sales. Strategic PSUs are those operating in the areas of:

(i) Arms and ammunitions and the allied items of defence equipment, defence aircrafts and warships;

(ii) Atomic energy (except in the areas related to the generation of nuclear power and applications of radiation and radio-isotopes to agriculture medicine and non-strategic industries); and

(iii) Railway transport.

Government, in line with its policy, keeps considering proposals for disinvestment in various Public Sector Undertakings, including the oil companies, from time to time. The proposals are considered through Inter-Ministerial consultations. As regards the proposed disinvestment in oil companies, as on date, Government has decided 'in principle' to disinvest a part of its equity in HPCL and BPCL.

(c) The names and the details of profit/loss of profit earning Central PSUs are given in statement.
